

Advantage of raw material supply

**Stainless steel wire for stainless metal mesh belt
production is self-produced**

Quality First ,Supreme Service

➤ **Coil wire drawing machinery**

(Equipment value : \$400,000)

Wire Manufacturing Workshop

Coil wire drawing machinery

Processing range and capacity: 3.2 mm ~ 1.0 mm Wire

**Advantage : Enhanced Quality Control / Customization and Flexibility /
Cost Efficiency / Improved Efficiency and Lead Times**

➤ **Equipment for drawing round bars**

(Equipment value : \$360,000)

Equipment for drawing round bars

Processing range and capacity: 12 mm ~ 4 mm round bars

**Advantage : Enhanced Quality Control / Customization and Flexibility /
Cost Efficiency / Improved Efficiency and Lead Times**

Sufficient stock of raw materials
about 40 tons of raw materials available, valued at \$80,000

Sufficient stock of raw materials
about 40 tons of raw materials available, valued at \$80,000

Sufficient stock of raw materials
about 40 tons of raw materials available, valued at \$80,000
